### **Memorial 5 Mile Race**

This race is in the memory of Charlie Kilshaw. Charlie typified the spirit of Garscube Harriers as he was a lovely man, warm and friendly to all members new and old, went out his way to help others and represented the club in many races from 2000 till 2012.

Charlie was never the fastest runner but his enthusiasm, determination and effort to run his best endeared him to the hearts of Garscube runners at all the races.

Good luck to all the runners in the Charlie Kilshaw Memorial Race.
