

Garscube Harriers

Winter League

2021-2022

Event 4

21 November 2021

Notes

- Each column in the tables below contains the league points for each race; someone having come first in a race would have earned 20 league points, someone having come second, 19 league points and so. In addition, 1 participation point is awarded for each race run. The total number of points is the sum of these two and is shown for each competitor at the end the row.
- In the event that a competitor has completed more than six events, the cell in the third column from the right shall be highlighted and the performance(s) with the lowest league points struck from the record.
- In the overall standings, V40 are shown in blue, V50 in orange and V60 in gree.
- Rules and fixtures can be found at the end of this document.

Rules

Rule 1: Male and female leagues and eligibility

The competition will have male and female leagues and will be open to all senior members of the club.

Rule 2: Number of races

There are 8 races but 10 results for points in the competition. The finish times from the West District and National XC Championships shall be used to produce two sets of results: one based on overall finishing times (scratch times) and one based on handicap position.

The scratch positions in the National XC shall be used to determine the female and male Club XC champions.

The handicap positions shall be used to determine the winners of the XC female and male handicap prizes.

The handicap positions in the West District XC shall be used to determine the McCAA Cup winner.

Rule 3: Points

(a) League points will be allocated on the basis of 20 points for first place down to 1 point for twentieth place (and all lower places)

(b) In addition, runners will receive 1 point for competing in each race irrespective of their position in the race.

(c) League points for the Balloch to Clydebank half marathon will be awarded based on handicap times.

Rule 4: Relay races

In relay races points will be awarded based on the time achieved in the race. Performances in incomplete teams will count. In the event of a tie on times, runners with the same time will be awarded the same number of points.

Rule 5: League tables

League tables shall show the points awarded for the best six performances calculated in accordance with Rule 3(a) and all points awarded in accordance with Rule 3(b). For example, a competitor running nine races shall get nine participation points plus the league points for their best six performances.

Rule 6: Race results and chip-timing

Only official race results will be used. Where chip-timing is used, League points will be based on chip-times rather than gun times.

Rule 7: Club vests

No points will be awarded if a runner does not wear their club vest.

Rule 8: Competing for another club

No points shall be awarded to a member in respect of a race where that member has competed for another club.

Rule 9: Running with another competitor's race number

No points shall be awarded to a member in respect of any race in which the member has raced with another competitor's race number.

Rule 10: Eligibility for prizes

No prize will be awarded to a member whose 2021-22 subscriptions are not paid and up to date.

Rule 11: Prizes

Prizes shall be awarded for 1st (£50), 2nd (£30) and 3rd (£20) places and 1st Vet 40, 50 and 60 (£30) in both male and female Leagues. Age categories will be based on age on the day of the first event. If someone wins more than one prize, they will be awarded the highest value prize only and the lower value prize will be awarded to the next eligible participant.

Results and corrections

Interim scores shall be published as soon as possible after each race and are subject to change until the final day of the competition. Corrections should be emailed to kt_m_white@hotmail.com
